

Entry Form

OVERVIEW

When creating a business communication, often additions or deletions of text are necessary after a first draft is typed. Using the automatic numbering feature in Microsoft Word allows for easy editing of line numbered text. Lists can be restarted and lines can be inserted or deleted without having to readjust all line numbers manually.

STRATEGIES

1. Read through all instructions prior to completing the project.

INSTRUCTIONS

1. Using Microsoft Word, create a new document.
2. Save the document as Project WRD-11 Battle of the Bands Entry Form in your "Word" folder under "The Hub" folder.
3. Set the page size to 8.5 inches wide x 11 inches tall with a 1 inch margin on all sides.
4. Choose an easy-to-read font, and keep the font size to a maximum of 11 points, unless otherwise noted.
5. Be sure your document's line spacing is set up using single spacing with no additional line spacing between paragraphs.
6. Key the following heading in 20 point bold and left-aligned:

Battle of the Bands Entry Form

7. Hit the enter key after the heading, change the font size to 11 point, and begin numbering the following entries single-spaced:

NOTE: Use copy and paste after creating the first blank underline to ensure that all lines are the same length.

1. Band Name _____
2. Contact Person _____
3. Other Band Members:

8. Hit the enter key and then the tab key once to begin a subset of numbering as shown in Figure WRD-11.1.

NOTE: Use copy and paste after creating the first blank underline to ensure that all lines are the same length.

your TASK

Your task is to create the Battle of the Bands Entry Form for bands to complete to enter into this semi-annual event. Use the automatic numbering feature and cut and paste when designing this form. The Hub will use completed forms to update the contact information in a Battle of the Bands spreadsheet.
